1. National Affairs - Policy & Governance

Kerala Renamed as 'Keralam'

WHAT:

Union Cabinet approved the proposal to officially change the name of the state of 'Kerala' to 'Keralam', replacing the English-adopted constitutional term with traditional Malayalam usage

WHEN:

Cabinet approval on February 25, 2026

WHERE:

Kerala state, India

WHO:

Union Cabinet chaired by Prime Minister Narendra Modi

WHY:

To honor traditional Malayalam identity and linguistic heritage. The change reflects the state's cultural aspirations and was passed through unanimous resolutions by Kerala Legislative Assembly in August 2023 and June 2024

KEY POINTS:

- Requires amendment to First Schedule (listing states) and Fourth Schedule (Rajya Sabha seats allocation) of Constitution
- Under Article 3, President refers Kerala (Alteration of Name) Bill, 2026 to State Legislature before Parliament introduction
- Must pass by simple majority in both Houses of Parliament
- Cabinet meeting held at newly inaugurated Seva Teerth office complex in New Delhi

India's First National Counter-Terrorism Policy 'PRAHAAR'

WHAT:

Comprehensive national counter-terrorism policy and strategy titled 'PRAHAAR' outlining proactive framework to address evolving terror threats

WHEN:

Released in February 2026

WHERE:

India, released by Ministry of Home Affairs

WHO:

Ministry of Home Affairs (MHA), Government of India

WHY:

To provide unified, comprehensive strategy for combating terrorism, strengthen inter-agency coordination, and adapt to evolving security threats in modern era

KEY POINTS:

- First-ever dedicated national counter-terrorism policy for India
- Addresses both traditional and emerging terror threats
- Strengthens legal and operational frameworks
- Focuses on prevention, detection, and response mechanisms

National Household Income Survey (NHIS)

WHAT:

India's first comprehensive National Household Income Survey to collect direct data on household earnings, expenditure, and income sources

WHEN:

Launched in February 2026

WHERE:

Pan-India survey across all states and territories

WHO:

Government of India statistical agencies

WHY:

To provide accurate income data for policymaking, measure economic inequality, improve economic planning, and base policies on real income statistics rather than proxies

KEY POINTS:

- Will provide granular data on income distribution
- Helps measure poverty and inequality more accurately
- Supports evidence-based policy formulation
- First direct income survey of this scale in India

2. Technology & Digital Initiatives

DigiLocker Regulatory Framework Committee

WHAT:

High-level committee constituted to harmonize the regulatory framework of DigiLocker - India's digital document storage platform

WHEN:

Constituted in February 2026

WHERE:

Ministry of Electronics and Information Technology (MeitY)

WHO:

Chaired by Ajay Sawhney (Former Secretary, MeitY), includes legal experts, technology specialists, and industry representatives

WHY:

To create unified regulatory framework for digital document storage, ensure security and privacy compliance, and strengthen India's digital governance infrastructure

KEY POINTS:

- DigiLocker allows citizens to store official documents digitally
- Links Aadhaar for document authentication
- Used for educational certificates, driving licenses, vehicle documents
- Part of Digital India initiative

Blockchain India Challenge

WHAT:

National competition to promote startup-driven blockchain solutions for digital governance with total prize pool of ■8.80 crores

WHEN:

Launched in February 2026

WHERE:

Implemented by Centre for Development of Advanced Computing (C-DAC), Hyderabad

WHO:

Ministry of Electronics and Information Technology (MeitY)

WHY:

To encourage innovation in blockchain technology, develop governance applications, support startups in cutting-edge technology, and create practical blockchain solutions for public administration

KEY POINTS:

- Three-stage competition: Prototype, MVP, and Final Implementation
- Prototype Stage: ■1.5 lakh each for up to 40 participants
- Focuses on real-world governance applications
- Promotes decentralized, secure digital solutions

AI-driven Biotechnology Portal SUJVIKA

WHAT:

Artificial Intelligence-driven biotechnology portal designed to integrate AI with biological research and applications

WHEN:

Launched in February 2026

WHERE:

India, national-level initiative

WHO:

Government of India biotechnology authorities

WHY:

To accelerate biotechnology research, leverage AI for drug discovery and genomics, enhance India's position in global biotech sector, and promote innovation at intersection of AI and biology

KEY POINTS:

- Combines artificial intelligence with biotechnology research
- Supports drug discovery and development
- Aids genomic research and analysis
- Part of India's bio-economy initiatives

3. Infrastructure & Economic Development

Integrated East Coast Industrial Corridor - Durgapur Node

WHAT:

Major industrial corridor project with key node at Durgapur announced in Union Budget 2026-27, with ■3,000 crore allocated to NICDIT

WHEN:

Announced in Union Budget 2026-27 (February 2026)

WHERE:

East Coast of India, with major node at Durgapur (West Bengal)

WHO:

National Industrial Corridor Development and Implementation Trust (NICDIT), Government of India

WHY:

To accelerate industrial development on East Coast, create manufacturing hubs, generate employment, and balance India's industrial growth across regions

KEY POINTS:

- Part of National Industrial Corridor program
- Connects major eastern ports and industrial centers
- Expected to attract significant private investment
- Will create millions of jobs in eastern states

Raw Jute MSP for 2026-27

WHAT:

Minimum Support Price (MSP) of Raw Jute fixed at ■5,925 per quintal for TD-3 grade, Fair quality

WHEN:

Approved in February 2026 for 2026-27 marketing season

WHERE:

India, applicable to jute-growing states (West Bengal, Bihar, Odisha, Assam)

WHO:

Cabinet Committee on Economic Affairs (CCEA) chaired by PM Narendra Modi

WHY:

To ensure remunerative prices for jute farmers, support agricultural income, maintain jute cultivation, and protect farmers from price volatility

KEY POINTS:

- Jute is important cash crop in eastern India
- India is largest jute producer globally
- MSP provides income security to farmers
- Supports jute industry and exports

Major Cabinet Infrastructure Approvals (February 24, 2026)

WHAT:

Multiple mega infrastructure projects approved including metro systems, airports, and rail connectivity projects

WHEN:

Cabinet meeting on February 24, 2026

WHERE:

Various locations across India

WHO:

Union Cabinet chaired by Prime Minister Narendra Modi

WHY:

To strengthen national infrastructure, improve urban mobility, enhance connectivity, and boost economic growth through capital investment

KEY POINTS:

- Enhanced delegation to POWERGRID for Maharatna CPSEs
- Increased permissible equity investment per subsidiary
- Covers transport, energy, and urban infrastructure
- Part of National Infrastructure Pipeline

4. International Relations

India-Israel 'Villages of Excellence' Initiative

WHAT:

Grassroots agricultural cooperation initiative to transform farming clusters into modern, technology-driven zones by integrating Israeli expertise into local village ecosystems

WHEN:

Announced during PM Modi's state visit to Israel in February 2026

WHERE:

Rural India, with Israeli technical support

WHO:

Governments of India and Israel

WHY:

To bridge gap between high-tech research centers and common farmers, increase productivity and income of Indian farmers, and scale up Indo-Israel Agriculture Project (IIAP) from centralized hubs to village level

KEY POINTS:

- Extension of Indo-Israel Agriculture Project (IIAP)
- Target: Increase Centres of Excellence to 100 across India
- Takes Israeli technology from Centers to Villages
- Focuses on sustainable, future-ready farming solutions

India-Israel Fisheries & Aquaculture MoU

WHAT:

Landmark Memorandum of Understanding to deepen collaboration in fisheries and aquaculture sector

WHEN:

Signed on February 26, 2026 during PM Modi's Israel visit

WHERE:

Israel

WHO:

Avi Dichter (Israel's Agriculture Minister) and Dr. S. Jaishankar (India's External Affairs Minister)

WHY:

To introduce advanced Israeli technologies in Indian fisheries, enhance Blue Economy, improve coastal livelihoods, and promote climate-resilient, biosecure aquaculture

KEY POINTS:

- Establishes Indo-Israel Centres of Excellence for fisheries
- Plans oceanarium in India with Israeli expertise
- Focus on Recirculating Aquaculture Systems (RAS)
- Includes automation and data-driven aquaculture management

India-GCC Free Trade Agreement Negotiations

WHAT:

Formal launch of negotiations for comprehensive trade agreement between India and Gulf Cooperation Council (Saudi Arabia, UAE, Qatar, Kuwait, Oman, Bahrain)

WHEN:

Joint Statement signed in February 2026

WHERE:

Between India and GCC member states

WHO:

Governments of India and six GCC member nations

WHY:

GCC is India's largest trading partner bloc (USD 178.56 billion bilateral trade FY 2024-25). Agreement will reduce trade barriers, enhance investment flows, and strengthen economic integration

KEY POINTS:

- Expected to cover trade in goods, services, and investment
- GCC accounts for over 15% of India's global trade
- India exports engineering goods, textiles, rice to GCC
- Imports crude oil, LNG, petrochemicals from GCC
- GCC hosts nearly 10 million Indians

6th India-UK Home Affairs Dialogue

WHAT:

High-level bilateral dialogue reviewing security cooperation and charting future collaboration on shared priorities

WHEN:

February 28, 2026

WHERE:

New Delhi

WHO:

Indian delegation led by Dr. Rajendra Kumar (Secretary, Border Management, MHA); UK delegation headed by Simon Ridley (Second Permanent Secretary, Home Office)

WHY:

To strengthen counter-terrorism cooperation, address organized crime, manage migration issues, and combat activities of Pro-Khalistani extremists operating from UK soil

KEY POINTS:

- Focus on counter-terrorism and organized crime
- Addresses drug trafficking networks
- Migration management including irregular migration
- Both sides committed to deeper security cooperation

Frankfurt-Bengaluru Air Cargo MoU

WHAT:

Memorandum of Understanding between Frankfurt Airport (FRA) and Kempegowda International Airport Bengaluru (BLR) to strengthen air cargo connectivity

WHEN:

Signed on February 25, 2026

WHERE:

Between Frankfurt, Germany and Bengaluru, India

WHO:

Frankfurt Airport (operated by Fraport) and Bangalore International Airport Limited (BIAL)

WHY:

To enhance trade connectivity between Europe and India, improve cargo logistics, support growing e-commerce and pharmaceutical exports, and create efficient supply chains

KEY POINTS:

- Frankfurt is Europe's largest cargo hub
- Bengaluru is major IT and pharma export center
- Facilitates time-sensitive cargo movement
- Supports India's export competitiveness

5. Defense & Security

Middle East Crisis - US-Israeli Strikes on Iran

WHAT:

Major military strikes by United States and Israel targeting Iranian nuclear facilities, missile sites, and naval assets, resulting in death of Supreme Leader Ayatollah Ali Khamenei

WHEN:

February 28, 2026 (Operation Epic Fury/Midnight Hammer)

WHERE:

Iran, with spillover attacks across Middle East including Bahrain, UAE, Qatar, Kuwait

WHO:

US forces and Israeli Defense Forces vs. Islamic Republic of Iran

WHY:

Escalation following regional tensions. US President Trump called for regime change in Iran. Iran launched retaliatory strikes across Gulf states hosting US military bases

KEY POINTS:

- Iran fired ballistic missiles at US Fifth Fleet HQ in Bahrain
- Iranian drones struck Dubai and Abu Dhabi airports
- Multiple countries closed airspaces (Iran, Iraq, Kuwait, Israel, Bahrain, Qatar)
- Over 7,700 flights delayed, 2,280 cancelled globally
- UN Security Council emergency meetings called
- India strongly condemned strikes, called for restraint

Pakistan-Afghanistan Border Conflict

WHAT:

Major military escalation between Pakistan and Afghanistan's Taliban government with cross-border strikes and 'open war' declaration

WHEN:

Fighting erupted February 27, 2026

WHERE:

Pakistan-Afghanistan border (Durand Line), Kabul, Kandahar, Paktika, Chaman

WHO:

Pakistan military forces vs. Afghanistan's Taliban government

WHY:

Taliban claimed operations in response to Pakistani air strikes. Pakistan blamed Taliban for terrorism and instability. Both sides conducted artillery strikes and air raids

KEY POINTS:

- Pakistan declared 'open war' with Afghanistan
- Taliban conducted 'large-scale offensive operations'
- Explosions reported in Kabul during Ramadan
- Russia, China, India, UN called for ceasefire
- India strongly condemned Pakistani strikes
- Multiple countries offered mediation including Russia, Turkey, Iran

6. Sports & Achievements

India Wins U-19 Cricket World Cup 2026

WHAT:

India defeated England by 100 runs to clinch sixth U-19 Men's Cricket World Cup title

WHEN:

Final on February 6, 2026 (tournament: January 15 - February 6)

WHERE:

Tournament hosted across venues

WHO:

India U-19 cricket team

WHY:

Demonstrates India's continued dominance in youth cricket, excellent talent pipeline, and cricket development infrastructure. Sixth title confirms India as most successful nation in U-19 World Cup history

KEY POINTS:

- India's previous U-19 World Cup wins: 2000, 2008, 2012, 2018, 2022, 2026
- Tournament serves as platform for future stars
- Many Indian cricket stars emerged from U-19 World Cups
- Comprehensive 100-run victory margin in final

Jothi Aadarsh Ram - Bronze at Asian Indoor Athletics

WHAT:

Bronze medal in men's high jump event with 2.19m clearance

WHEN:

February 6, 2026

WHERE:

2026 Asian Indoor Athletics Championships

WHO:

Jothi Aadarsh Ram (Indian athlete)

WHY:

Represents India's growing strength in athletics, particularly in field events. Performance at continental level boosts confidence for major championships ahead

KEY POINTS:

- High jump is technical field event requiring skill and athleticism
- 2.19m is competitive height at Asian level
- Builds momentum for upcoming Asian Games 2026
- Part of India's athletics development program

Padma Awards Presentation - April 28, 2026

WHAT:

Formal presentation ceremony for Padma Awards 2026 (announced January 25, 2026) including 9 sportspersons

WHEN:

Ceremony scheduled for April 28, 2026

WHERE:

Rashtrapati Bhavan (Presidential Palace), New Delhi

WHO:

President of India presents awards to 131 recipients including Vijay Amritraj (Padma Bhushan), Rohit Sharma, Harmanpreet Kaur, Savita Punia (Padma Shri)

WHY:

To formally honor distinguished service to nation. Sportspersons recognized for bringing glory through international achievements and inspiring future generations

KEY POINTS:

- Vijay Amritraj: Only sportsperson with Padma Bhushan in 2026
- Rohit Sharma: Led India to T20 World Cup 2024, Champions Trophy 2025
- Harmanpreet Kaur: Captained team to maiden ODI World Cup 2025
- Savita Punia: Goalkeeper, 300+ international caps
- Total 9 sportspersons across cricket, hockey, para-athletics, martial arts

NITI	National Institute of Transforming India
RAS	Recirculating Aquaculture System
UTs	Union Territories

Study Tips for CLAT Current Affairs

The 5W format helps in comprehensive understanding:

1. **Focus on International Developments:** February 2026 saw major geopolitical events including Middle East crisis and Pakistan-Afghanistan conflict. Understand causes, consequences, and India's position on these issues.
2. **Link Domestic and Foreign Policy:** Connect India's foreign visits (PM Modi's Israel visit) with domestic benefits (agriculture cooperation, defense ties).
3. **Constitutional Provisions:** Kerala's renaming involves Article 3 - understand constitutional procedures for state reorganization.
4. **Technology & Governance:** Note initiatives like DigiLocker, Blockchain Challenge, SUJVIKA - these reflect India's digital transformation.
5. **Track Appointments:** Key administrative appointments often appear in CLAT. Note the appointing authority and significance.
6. **Labour Laws & Social Security:** Labour Codes consolidation is major reform - understand implications for workers and industry.

Note to Students

This comprehensive monthly summary provides structured GK notes for February 2026. February was marked by significant geopolitical developments, important bilateral visits, and major domestic policy initiatives. For daily updates and to never miss important current affairs, visit our **Daily GK Vault** at **www.clattribe.com/clat-gk-vault**. Combining these monthly compilations with daily updates will ensure you stay ahead in your CLAT preparation.

All the Best for CLAT!
